

Daylily Jan 20, 2018
9:30 am

Terry and Jennifer both have the flu, terry was in the hospital. We were going to play stout bingo but gayle was sick with fever. Faye is doing well but Charles is not, he can not be left alone. A previous member Pete Peters passed away on January 1st, Mitchell will try to find an address and send a card. To honor him we will randomly select a piedmont daylily club member who is not in AHS and pay that \$25 due. Bill and linda provided breakfast today.

Pledge of allegiance

We have extra schedules and business cards to be passed out. April is the non-daylily plant sale hosted by Ann and john. In May linda and Nancy Moore will talk about getting ready for our sale in June, Connie already has 3/6 judges lined up. Our theme was voted to be "Carolina Gems". Michael has worked on calling clubs to host the regional shows up to 2020.

The raffle basket that wins the national gets \$1000 worth of daylilies, second place gets \$500. Asking that everyone will bring something that was MADE in the Carolinas to represent our club (handmade or bought, big variety)

Daylily, birdhouse, honey, sweet grass basket, Tar Heels, quilt, etc.

Dues need to be paid if you have not already, \$15 for individual \$25 for a family. Please consider joining AHS: \$25 and you get a full color magazine 4 times a year.

Next month is hybridizing 101 by Terry. Today is our backup plan: "Daylily Over the Years" An AHS media library production. We had a trivia game to win excess 2016 summer show T-shirts.

Mitchell recommend Rebecca Henshaw to come next Jan or Feb 19 to train club members to become Garden Judges.
