John Smethurst

- Welcome to members and visitors

The meeting was held at Anne Mozingo's garden for the Non-Daylily plant auction. Items for the auction were donated by members. Thank you for the generosity and variety of non-daylily plants. Special thank you to Jim Siwick for cleaning out his greenhouse and the many exotic plants he donated.

### **Auction**

In all 72 plants were sold raising \$797.01.

Great food was also brought by members and enjoyed after the auction.

John Smethurst thanked everyone for coming and reminded of the May meeting and June Show.

Respectfully Submitted,
